Gentlemen:-

As per my promise I enclose you two dollars and ten cents ($ 2.10) for the one dollar gold coin you were kind enough to send me. I also return the quarter, and half dollar gold coin. The reason I return these is that they are too expensive for me, and so tiny that one is liable to loose them.

When I have occassion to come to your city some time I will drop in and look over your stock, and if I see anything that I would like to have may buy it. Thanking you for your trust in me, I remain,

Yours respectfully-

W. H. Conrad.

Gentlemen:-

I have your favor of the 26" inst., and note contents. In reply would state that I want to get gold coins as follows: One of each for my own satisfaction I am no coin collector, nor do I deal in them. One (1) round gold quarter (¼) dollar. One round half (½) and one (1) round one dollar. Must be well preserved, and not mutilated. Uncirculated would be preferable. It does not matter of they are California or Phila. Mint. I am not particular as to dates.

If you will be kind enough to state exactly what each one will cost, making it as cheap as you can because I am a working man, and also state if you have such as I describe above, I will either send you the amount, or else call in person.

I bought a three dollar gold coin from you some time ago, and of which I am exceedingly proud as they are very scarce around here

I enclose postage for reply. This I failed to do in my former letter, but if we can agree on a deal I presume this small matter will be overlooked. An early reply will be appreciated, I remain,

Gentlemen:-

I am in receipt of your favor of the 28" inst. enclosing ¼, ½, and 1 Dollar gold coin. It was not intended that you should send them to me at this time as I was not prepared to take them, and will return you the ¼, and ½ but will retain the dollar piece providing you can, and will trust me until next week or latter part of this week to make remittance of two dollars and ten cent. If satisfactory to you I will keep all of them until that time and then send the remittance, and the returned gold all in one register letter, if not let me know by return mail, and I will forward all the coins to you at once. I enclose stamp for reply.

Yours truly
